The Participant as per attached list

**Subject: Additional on The Job Short Training on "Bridge Maintenance and Management" under Bridge Management Capacity Development Project (BMCDP).**

This is to inform you that **Bridge Management Capacity Development Project-BMCDP** is going to organize the training on " **Bridge Maintenance and Management** " as part of the capacity development under the JICA Technical Co-operation Project. This is the last opportunity for the officers who have missed the previous training on the above subject. Again, this is an opportunity for the newly posted executive engineers to learn from the JICA experts. As you know, you (all divisions) will have to inspect all the bridges of their respective workplace, input the data into Bridge Management System (BMS) Software, evaluate and take part in bridge repair and maintenance. So, this training is extremely important and mandatory. The participants will have to attend the **Additional on The Job Short Training on "Bridge Maintenance and Management"** on 15 July 2018 and 29 July 2018 to 30 July 2018 for 3(three) days.

Therefore, the officers are requested to attend the mandatory training on " **Bridge Maintenance and Management** " on the date and time mentioned as per attached participant list.

**Enclosed:** 1. Participant list for field inspection (1 page)  
2. Training Schedule- (1 page)
