**Subject: Divisional Training Course (DTC) on "Bridge Inspection & Evaluation, Bridge Management System (BMS) Software and Bridge Rehabilitation & Cost Estimate" under Bridge Management Capacity Development Project (BMCDP) to be held at respective Field Divisions of RHD.**

This is to inform you that as per the objectives of Bridge Management Capacity Development Project (BMCDP) all the field divisions of RHD must organize the training on "Bridge Inspection & Evaluation, Bridge Management System (BMS) Software and Bridge Rehabilitation & Cost Estimate" as part of the capacity development under the JICA Technical Co-operation Project. All Master Trainers (MTs) who are mostly the Executive Engineers of field divisions have already received the On the Job Training-1, Bridge Inspection Training at Manikganj, On the Job Training-2 during 11 July to 10 August 2017, 27 November 2017 to 21 December 2017 & 14 January 2018 to 01 February 2018 respectively. All SDEs of field divisions have also received 2(Two days) "Divisional Training Course (DTC) Support Training" within 18 February 2018 to 08 March 2018 in different groups.

As a continuation of the above Trainings, Master Trainers (Executive Engineers of all 65 Divisions) will have to arrange and conduct Divisional Training Course for the respective SDEs, AEs and SAEs of their own workplace for 4(four) days within April 02, 2018 to April 19, 2018 according to the attached list and Schedule (Resource Persons & Participants list & Training Schedule). The resource persons (MTs) will conduct the training with the help of manuals and training materials, they received. Training Presentation materials are also available at (<https://drive.google.com/drive/folders/1d408lcEZ7WzCNq8uxYDfapN8Q34FA3UN>)

Therefore, the MTs are requested to arrange and conduct the mandatory Divisional Training course on "Bridge Inspection & Evaluation, Bridge Management System (BMS) Software and Bridge Rehabilitation & Cost Estimate" on the date and time mentioned in attached list and report to the Project Director (PD), Bridge Management Capacity Development Project and Additional Chief Engineer, Bridge Management Wing with the detail of Training Program alongwith attendance sheet of participants.
