**Record Number:** 35.01.0000.005.24.002.21.250

**Date:** 06/11/2023

**CALL FOR REGISTRATION OF INTEREST**  
**Member of the Technical Committee of PIARC from Bangladesh**

PIARC (World Road Association) is a global organisation of the road transport professionals, founded in 1909 and comprising 124 member governments from all over the world. It is a global forum for exchange of knowledge and experience on roads and road transport policies and practices. Bangladesh as a member country, contributes through the first delegate, the Chief Engineer of the Roads and Highways Department and has participated in multiple technical committees for the session 2020-2023 through the nominated member.

For the Cycle 2024-2027, the undersigned is pleased to invite applications of road practitioners, academicians, researchers etc. of Bangladesh who are interested to work in the four major categories, namely Road Administration, Mobility, Safety and Sustainability and Resilient Infrastructure. Detailed can be found at <https://www.piarc.org/en/>. It is to keep in mind that, the member countries participate and contribute by voluntary services and is benefitted through the shared knowledge from all over the world. The vast number of publications are free of charge for the member countries.

The First delegate of Bangladesh is intended to nominate the professionals, academics, researchers etc. of Bangladesh in the field of roads and road transport who are capable and are willing to give time and effort actively and voluntarily as the Member of the Technical Committees of PIARC in the session 2024-2027. To register your interest please email at [ssharkia31@gmail.com](mailto:ssharkia31@gmail.com) with your curriculum vitae and a one page write-up on how you will be able to contribute in the technical committees through your knowledge, expertise and time. Please highlight how it will benefit you and your organisation. *The email must reach on or before 8:00 am of 10 November 2023.*

For more information please visit <https://www.piarc.org/en/> or call Ms. Shaika Sharkia, Executive Engineer, RHD at +880-1716-925077.
